

# Make Your Global Impact

CHT Global (Chunghwa Telecom Global) knows what it means to make a Global Impact. Established in 2002 as the US subsidiary of Taiwan's Chunghwa Telecom, CHT Global is bringing the rest of the world the expertise and quality service that has made Chunghwa Telecom the largest and most trusted telecommunications company in Taiwan and throughout much of the Asia-Pacific.

Today, CHT Global is equipping the largest multinational and global corporations with data and communication solutions to bridge their operations across the globe, and helping small and medium companies make the big leap onto the global stage. With total solutions ranging from International Private Lines or CHT Global's robust MPLS-VPN, to Internet Data Centers worldwide or International Long Distance Calling Plans, CHT Global is uniquely positioned to help you make your global impact.
